

# WILDPEAK H/T

## TYRE HIGHLIGHTS

### SYMMETRIC NON-DIRECTIONAL FIVE-RIB TREAD DESIGN

Provides optimal handling stability and comfort while allowing cross-rotation patterns to fight irregular wear.

### MULTI-WAVE LATERAL SIPES

Enhance wet traction and increase all-season performance.

### VARIABLE-PITCH SHOULDER DESIGN

Provides exceptional all-season performance while reducing tyre noise.

### FOUR LARGE CIRCUMFERENTIAL STRAIGHT GROOVES

Effectively evacuate water and significantly enhance hydroplaning resistance for enhanced wet handling.

## Registering and claiming is just 3 easy steps:

1. Register online within 30 days of purchase and keep a copy of the original invoice.
2. Follow the service schedule in this booklet.
3. If you need to make claim contact your original place of purchase.

## Making a Claim

If your set of Falken Wildpeak H/T tyres does not achieve 80,000km, please refer to the Terms & Conditions. If none of the exclusions apply, you have registered online and have followed the service schedule, please take this service booklet and original invoice back to the place of purchase for a full assessment.

### Sumitomo Rubber Australia Falken Wildpeak H/T 80,000km Guarantee Terms & Conditions

Effective 1st January 2017

Sumitomo Rubber Australia (SRAU) is the authorised distributor of Falken Tyres in Australia. The Wildpeak H/T 80,000km Guarantee (Guarantee) is only available for certain tyres from certain participating Falken Tyres dealers, and is in addition to the SRAU Warranty conditions.

#### OWNER OBLIGATIONS

A minimum of four (4) tyres are purchased from a participating Guarantee dealer. Registration is conducted online within 30 days of purchase. Original invoice is kept. The Service Schedule is maintained and documented.

#### APPLICABLE PRODUCTS

Falken brand Wildpeak H/T radial ply tyres are guaranteed to achieve 80,000km before becoming worn out at 1.6mm remaining tread depth. Pro rata adjustment credit will be given based on percentage of tread life not achieved. This tread life guarantee is applicable only for normal use & when all of the Owners Obligations are met. It does not apply to any Falken products not specified.

#### EXCLUSIONS

1. Tyres will not be covered by this Guarantee if damage is caused by, but not limited to: acts of vandalism, theft, abuse and neglect; use in motorsport and non-tarmac roads; commercial uses, such as taxis, hire cars, etc.; mechanical and wheel alignment issues, improper inflation pressures, incorrect usage, negligence, failure to maintain or rotate tyres.
2. This Guarantee does not apply to vehicles with staggered tyre fitments.
3. Tyres that are modified in any way from the original design.

#### CLAIMS

Any Guarantee claims must be presented to a Falken dealer participating Guarantee scheme. Tyre owners must have registered online, present their completed and up-to-date Service Schedule and original invoice to the original place of purchase to make a Guarantee claim. Claims are valid six (6) years from the date of retail sale. The Guarantee is not transferrable.

#### CREDIT CALCULATION

Should tyres not meet the guaranteed kilometres, a pro-rata credit will be provided. The formula for the pro-rata credit is:

pro-rate credit (\$) =

$$\frac{\text{guaranteed life (km)} - \text{achieved life (km)}}{\text{guaranteed life (km)}} \times \frac{\text{consumer original invoice price (\$)}}{\text{invoice price (\$)}}$$
